SNIP, SNIP, DINO!

A first cutting practice book for preschoolers who love dinosaurs and trucks: lines, shapes and dino truck cut-outs that get a little harder, one level at a time.

- 44 activities in 6 levels that build skills step by step
- Lines, zigzags, waves, shapes and dino truck cut-outs
- Single-sided pages: cut without losing the next one
- Large 8.5 x 11 inch pages, ages 3-5
