THIS BOOK BELONGS TO

TIPS FOR GROWN-UPS

Use a pencil or a chunky crayon.

Hold it like a little bird: gently, not squeezing.

Start at the big black dot every time.

Go slowly and stay on the dotted line.

It is fine to go off the line! Praise trying.

Do 2 or 3 pages a day, little and often.

Lines go left to right and top to bottom,

the same way kids will learn to write.

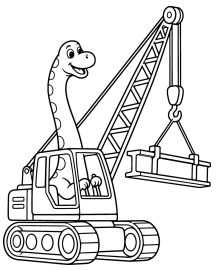

LEVEL 1: STRAIGHT LINES

Trace from the dot to the dino truck!

Name: _____
